Reallocation of Unused Quota Places**. The NOC will not however be able to enter a declined athlete/pair at the time of final entries should the lower ranked athlete/pair become unavailable.

## C. ATHLETE ELIGIBILITY

All athletes must respect and comply with the provisions of the Olympic Charter currently in force, including but not limited to Rule 41 (Nationality of Competitors) and Rule 43 (World Anti-Doping Code and the Olympic Movement Code on the Prevention of Manipulation of Competitions).

Only those athletes who respect and comply with the Olympic Charter, the World Anti-Doping Code and the Olympic Movement Code on the Prevention of the Manipulation of Competitions, including the conditions of participation established by the IOC, plus the rules of the Badminton World Federation, may participate in the Olympic Games LA28.

## Additional IF eligibility criteria

### C.1. Athletes must also comply with the following criteria:

All athletes must have played in a minimum of three tournaments in their respective event counting towards the LA28 Olympic Ranking during the Olympic qualifying period (3 May 2027 – 30 April 2028). This is also applicable to the universality places and the Continental Representation places, but not to the host country places.

All athletes must be ranked on the LA28 Olympic Ranking as of 2 May 2028. This is not applicable to the host country places.

## D. QUALIFICATION PATHWAY

### Men/Women/Mixed

The LA28 Olympic Ranking of 2 May 2028 will be used to allocate the athlete quota places in Men's and Women's Singles, and Men's, Women's and Mixed Doubles. Each LA28 Olympic Ranking list will be based on results achieved during the period from 3 May 2027 to 30 April 2028. Participation in any of the following events will count towards the respective LA28 Olympic Ranking during the qualification period:

- Thomas and Uber Cup Finals
- Sudirman Cup Finals
- World Championships
- Grade 2 BWF tour tournaments – Levels 1 to 6
- Grade 3 BWF Continental tour tournaments - International Challenge, International Series and Future Series

- Any other international event sanctioned by the BWF and included in advance and with BWF approval as being part of the LA28 Olympic Ranking, except those explicitly excluded as per BWF regulations.

The BWF will allocate quota places in line with the following principles:

- Allocation of quota places (see section **D.1. Quota places**) for singles and doubles.
- Allocation of host country places in singles from LA28 Olympic Ranking or as notified by the host country by 8 May 2028 (see section **D.2. Host country places**).
- Allocation of universality places in singles (see section **D.3. Universality places**).

If for a particular Continental Confederation there is no singles athlete qualified in an event, the athlete selected for a Continental Representation Place will be the highest ranked eligible athlete in the LA28 Olympic Ranking of 2 May 2028 from the respective continent. MEN / WOMEN	<b>Doubles</b>	The LA28 Olympic Ranking of 2 May 2028 will be used to allocate 48 pairs quota places, to the 16 highest ranked pairs in each event, respecting the maximum quota allocation per NOC per event. The 48 pairs quota places will include the allocation of Continental Representation Places.
	<b>Total 48 pairs</b>	
	Men's Doubles: 16 (32 athletes)	In each doubles event there must be at least one pair from each of the five BWF Continental Confederations (Continental Representation Place), which must be the highest ranked pair in the LA28 Olympic Ranking of 2 May 2028 from the respective continent, provided the pair is ranked 50 or above (ranked between 1 and 50) in the LA28 Olympic Ranking of 2 May 2028.
	Women's Doubles: 16 (32 athletes)	As regards qualification in all events, no NOC can qualify athletes/pairs in more than two events through the Continental Representation Place system. The NOC's choice will be considered as final.
	Mixed Doubles: 16 (32 athletes)	If an athlete qualifies (and is selected) in more than one event, the unused athlete quota place will be allocated to the next highest ranked athlete of the same gender in the singles event on the LA28 Olympic Ranking of 2 May 2028. 	<b>D.2.</b>	<p><b>Host country places</b></p> <p>The host country will be allocated one quota place in the men's singles event and one quota place in the women's singles event, should the host country not have already obtained a quota place in the singles events, in either gender, via the LA28 Olympic Ranking.</p> <p>Qualification of (a) doubles pair(s) through the LA28 Olympic Ranking of 2 May 2028, as per the process described under section <b>D.1. If there is no host country athlete on the LA28 Olympic Ranking, in the singles event(s), the host country will choose and confirm the respective athlete(s) to the BWF, at the latest by 8 May 2028.</p>

**D.3.****Universality places**

Four universality places are made available to eligible NOCs at the LA28 Olympic Games: two in the Men's Singles and two in the Women's Singles.

On 1 October 2027, the International Olympic Committee (IOC) will invite all eligible NOCs to submit their requests for universality places. The deadline for NOCs to submit their requests is 15 January 2028. The Tripartite Commission will confirm, in writing, the allocation of universality places to the relevant NOCs after the end of the qualification period for the sport concerned.

Detailed information on universality places is contained in the "Los Angeles 2028 Olympic Games – Tripartite Commission Universality Places – Allocation Procedure" document.

**E. CONFIRMATION****Confirmation of quota places**

- E.1.** The list of initially qualified athletes/pairs for each event (including Continental Representation Places, host country places and universality places) will be published as part of the LA28 Olympic Ranking of 2 May 2028 at ([www.bwfbadminton.com](http://www.bwfbadminton.com)). The BWF will inform the respective NOCs/National Federations of their allocated quota places by no later than 10 May 2028.

NOCs will then have two weeks, until 24 May 2028, to confirm that they will use the quota places, as detailed in section G. Qualification Timeline.

**Confirmation of host country places**

- E.2.** The host country must confirm in writing to the BWF by 8 May 2028 the use of its host country places.

## F. REALLOCATION

### Reallocation of unused quota places

- F.1.** If an allocated quota place (except for those pertaining to Continental Representation Places) is not confirmed by the NOC by the confirmation of quota place deadline (24 May 2028) or is declined by the NOC, the quota place will be reallocated to the next highest ranked eligible athlete/pair, based on the LA28 Olympic Ranking of 2 May 2028, who has not yet qualified for the Olympic Games. This process will be repeated in different phases until the quota places have been filled for each event and gender, and the confirmation deadlines for the reallocation phases will be decided by the BWF at its sole discretion.

If an NOC declines an athlete/pair's quota place in the first allocation phase, and then accepts a quota place for a lower ranked eligible athlete/pair in the reallocation phase, it will not be possible to enter the first athlete/pair at the time of final entries should the lower ranked athlete/pair become unavailable.

Reallocation of quota places due to an athlete being qualified in more than one event will be offered on a conditional basis, should the athlete qualified in more than one event no longer be available.

If an allocated quota place pertaining to Continental Representation Places is not confirmed by the NOC by the confirmation of quota place deadline (24 May 2028) or is declined by the NOC, the quota place will be reallocated to the next highest ranked eligible athlete/pair based on the LA28 Olympic Ranking of 2 May 2028, who has not yet qualified for the Olympic Games, from that same Continental Confederation.

This process will be repeated until the quota places have been filled for each respective Continental Confederation in the respective event/gender. If no athlete/pair is eligible for a Continental Confederation Places, the quota place will then be allocated to the next highest ranked eligible athlete/pair based on the LA28 Olympic Ranking of 2 May 2028.

### Reallocation of unused host country places

- F.2.** If the host NOC does not confirm the host country place(s) by the deadline of 8 May 2028, such unused host country place(s) will then be reallocated to the next highest ranked eligible athlete based on the LA28 Olympic Ranking of 2 May 2028, who has not yet qualified for the Olympic Games. The process will be repeated until the quota has been filled for each gender.

### Reallocation of unused universality place

- F.3.** Any unused universality place will be reallocated to the next highest-ranked eligible athlete of the same gender based on the LA28 Olympic Ranking of 2 May 2028.
