D.2. HOST COUNTRY PLACES

Host Country Places Guaranteed

If the participation of the host country at Paris 2024 is guaranteed with a minimum of one (1) men’s athlete and a minimum one (1) women’s athlete through any Criteria outlined in section **D. Qualification Pathway**, the quota places will be allocated by name to the next highest ranked eligible Men’s athlete and/or the next highest ranked eligible Women’s athlete without a qualified team through Criteria 1 or 2 based:

- on the All-Around Qualifications results of the 2023 World Championships
- by respecting the provision of a maximum of 1 quota place per NOC

If, for any reason as outlined in section **D. Qualification Pathway**, these quota places cannot be allocated at the 2023 World Championships, they will be allocated by name to the next highest ranked eligible Men’s athlete and/or the next highest ranked eligible Women’s athlete without a qualified team through Criteria 1 or 2 based:

- on the All-Around Qualifications results of the last World Championships edition held
- by respecting the provision of a maximum of 1 quota place per NOC

Host Country Places Not Guaranteed

If the presence of the host country is not guaranteed through any Criteria outlined in section **D. Qualification Pathway**, the quota places will be allocated to the highest ranked eligible Men’s athlete and/or the highest ranked eligible Women’s athlete from the Host Country by name, based on the All-Around Qualifications results of the 2023 World Championships.

If, for any reason as outlined in section **D. Qualification Pathway**, these quota places cannot be allocated at the 2023 World Championships, they will be allocated to the highest ranked eligible Men’s athlete and/or the highest ranked eligible Women’s athlete from the Host Country by name, based on the All-Around Qualifications results of the:

- 2024 Continental Championships (or the other Continental Qualifying Event approved by the FIG) or, if this is not possible:
- the last Continental Championships edition held with All-Around participation and Host Country participation.

D.3. UNIVERSALITY PLACES

Two (2) Universality places allocated by name will be made available to one Men’s athlete and one Women’s athlete at Paris 2024, provided that the athlete has met the eligibility criteria as outlined in section **C. Athlete Eligibility**.

On 1 October 2023, the International Olympic Committee (IOC) will invite all eligible NOCs to submit their requests for Universality places. The deadline for NOCs to submit their requests is 15 January 2024. The Tripartite Commission will confirm, in writing, the allocation of Universality places to the relevant NOCs after the end of the qualification period for the sport concerned.

Detailed information on Universality places is contained in the “*Games of the XXXIII Olympiad, Paris 2024 - Olympic Games Universality Places - Allocation Procedure and Regulations*” document.

E. CONFIRMATION PROCESS FOR QUOTA PLACES

E.1. CONFIRMATION OF QUOTA PLACES

Following receipt of the confirmation from the FIG of the allocated quota places after the end of the qualification period for all Gymnastics disciplines, the NOCs will then have two (2) weeks to confirm in writing if they wish to use these quota places, as outlined in section **G. Qualification Timeline**.

After this deadline, unused quota places will be reallocated as per the procedure outlined in section **F. Reallocation of Unused Quota Places**.

E.2. CONFIRMATION OF HOST COUNTRY PLACES

The host country must confirm in writing to the FIG the use of its host country places two (2) weeks after having received confirmation from the FIG, as outlined in section **G. Qualification Timeline**.

F. REALLOCATION OF UNUSED QUOTA PLACES

F.1. REALLOCATION OF UNUSED QUOTA PLACES

The unused allocated quota places will be reallocated, as outlined in section **F. Reallocation of Unused Quota Places**, up until the start of the Paris 2024 Technical Meeting for Artistic Gymnastics.

The provision of a maximum of three individual athletes quota places for NOCs (without a team qualified) must be respected when reallocating unused allocated quota places to the next highest ranked eligible NOC (Criteria 3) or to the next highest ranked eligible athlete (Criteria 4, 5, 6, and 7).

Reallocation of unused quota places in chronological order

World Championships - Team quota places of five athletes (no reserves)
Criteria 1 and 2 allocated to the NOC

The unused allocated NOC Team quota place will be reallocated to the next highest ranked eligible NOC based on the Team Qualifications results of the 2023 World Championships.

If, for any reason as outlined in section **D. Qualification Pathway**, this quota place cannot be reallocated at the 2023 World Championships, it will be reallocated to the next highest ranked eligible NOC based on the Team Qualifications results of the last World Championships edition held with a Team participation.

If individual athlete quota places were already allocated by name to the next highest ranked eligible NOC through criteria 4, 5, 6, or 7, these individual athlete quota places by name will have to be included among the five athletes composing the Team (no reserves). These individual athlete quota places by name will then be reallocated in accordance with the reallocation procedure mentioned for criteria 4, 5, 6, or 7.

An NOC (including the host country) declining a Team quota place is not eligible to convert the unused Team quota place for any individual athletes' quota places.

World Championships – Individual Athletes' quota places from Non-qualified Teams

Criteria 3 allocated to the NOC

The unused allocated NOC Individual Athlete quota place will be reallocated to the next highest ranked eligible NOC based on the Team Qualifications results of the 2023 World Championships.

If, for any reason as outlined in section **D. Qualification Pathway**, this quota place cannot be reallocated at the 2023 World Championships, it will be reallocated to the next highest ranked eligible NOC based on the Team Qualifications results of the last World Championships edition held with a Team participation.

World Championships - All-Around Athlete quota places

Criteria 4 allocated to the athlete by name

The unused allocated quota place will be reallocated by name to the next highest ranked eligible athlete, by respecting the provision of a maximum of 1 quota place per NOC, based on the All-Around Qualifications results of the 2023 World Championships.

If, for any reason as outlined in section **D. Qualification Pathway**, this quota place cannot be reallocated at the 2023 World Championships, it will be reallocated by name to the next highest ranked eligible athlete, by respecting the provision of a maximum of 1 quota place per NOC, based on the All-Around Qualifications results of the last World Championships edition held.

World Championships - Apparatus Athletes quota places

Criteria 5 allocated to the athlete by name

The unused allocated quota place will be reallocated by name to the next highest ranked eligible athlete on the apparatus concerned, based first on the Apparatus Finals results and then, if needed, on the Apparatus Qualifications results of the 2023 World Championships.

If, for any reason as outlined in section **D. Qualification Pathway**, this quota place cannot be reallocated at the 2023 World Championships, it will be reallocated by name to the next highest ranked eligible athlete on the apparatus concerned, based first on the Apparatus Finals results and then, if needed, on the Apparatus Qualifications results of the last World Championships edition held.

Apparatus World Cup Series - Apparatus Athletes quota places Criteria 6 allocated to the athlete by name

The unused allocated quota place will be reallocated by name to the next highest ranked eligible athlete on the apparatus concerned, by respecting the provision of a maximum of 1 quota place per apparatus per NOC, based on the Olympic Qualification World Cup Ranking List of the 2024 Apparatus World Cup series.

If, for any reason as outlined in section **D. Qualification Pathway**, this quota place cannot be reallocated through the 2024 Apparatus World Cup series, it will be reallocated by name to the next highest ranked eligible athlete on the apparatus concerned, by respecting the provision of a maximum of 1 quota place per apparatus per NOC, based on the Olympic Qualification World Cup Ranking List of the last Apparatus World Cup series edition held.

Continental Championships (or the other Continental Qualifying Event approved by the FIG) - All-around Athlete quota places Criteria 7 allocated to the athlete by name

The unused allocated quota place will be reallocated by name to the next highest ranked eligible athlete based on the All-Around Qualifications results or the All-Around Final results (i.e., at the discretion of the respective Continental Union and as outlined in the Directives concerned) of the 2024 Continental Championships (or the other Continental Qualifying Event approved by the FIG).

If, for any reason as outlined in section **D. Qualification Pathway**, this quota place cannot be reallocated at the 2024 Continental Championships (or the other Continental Qualifying Event approved by the FIG), it will be reallocated by name to the next highest ranked eligible athlete based on the All-Around Qualifications results of the last Continental Championships edition held in this Continent with All-Around participation.

F.2. REALLOCATION OF UNUSED HOST COUNTRY PLACES

Reallocation within the host country

The unused allocated quota place will be reallocated by name to the next highest ranked eligible athlete from the host country based on the All-Around Qualifications results of the 2023 World Championships.

If, for any reason as outlined in section **D. Qualification Pathway**, this quota place cannot be reallocated at the 2023 World Championships, it will be reallocated by name to the next highest ranked eligible athlete from the host country, based on the All-Around Qualifications results of the:

- 2024 Continental Championships (or the other Continental Qualifying Event approved by the FIG) or, if this is not possible:
- the last Continental Championships edition held with All-Around participation and host country participation.

Reallocation outside the host country

If the host country declines its minimum guaranteed quota place, the unused allocated quota place will be reallocated by name to the next highest ranked eligible athlete, by respecting the provision of a maximum of 1 quota place per NOC, based on the All-Around Qualifications results of the 2023 World Championships.

If, for any reason as outlined in section **D. Qualification Pathway**, this quota place cannot be reallocated at the 2023 World Championships, it will be reallocated by name to the next highest ranked eligible athlete, by respecting the provision of a maximum of 1 quota place per NOC, based on the All-Around Qualifications results of the last World Championships edition held.

F.3. REALLOCATION OF UNUSED UNIVERSALITY PLACES

The unused allocated quota place will be reallocated by name to the next highest ranked eligible athlete, by respecting the provision of a maximum of 1 quota place per NOC, based on the All-Around Qualifications results of the 2023 World Championships.

If, for any reason as outlined in section **D. Qualification Pathway**, this quota place cannot be reallocated at the 2023 World Championships, it will be reallocated by name to the next highest ranked eligible athlete, by respecting the provision of a maximum of 1 quota place per NOC, based on the All-Around Qualifications results of the last World Championships edition held.
